SPECIAL BID BULLETIN

Project Ref.: **CSU-CARIG-INFRA-2022-02-002**

Proj. Name: **GREENHOUSE UPGRADING FACILITY**

This Special Bid Bulletin is hereby issued to clarify Pay Item Numbers: X and XI of the Program of Works to with:

1. On Item Micro Sprinkler Irrigation System: This system actually means an overhead pressurized misting system for temperature and humidity control with all its appurtenant automation electronic control system.
2. On Item X: Drip Irrigation System: This system actually means the appurtenant equipment and paraphernalias to enable circulation of growth media in a Nutrient Film Technique (NFT) Hydroponic System with all its appurtenant automation electronic control system.
3. On Item XI: Nursery Bench and Hydroponics: This actually means the supplies and materials for the lay-out of the NFT Hydroponic System, its necessary plant cups, plant clips and training ropes and twines, Tubings and Pipings in reconfigurable arrangements:
 - A. Ladder arrangement along the rim
 - B. Vertical Multi-layer arrangement at center

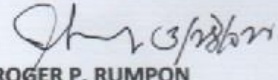

All the Pay Items I-XI are understood to include all the necessary works to erect two (2) units functional NFT Hydroponic System Greenhouse. Thus, all vital and necessary components of such system as required under industry standards and practices are deemed included in these pay items even if it is not explicitly stated.
